Japan GK Invoice

Notes to invoice above

1. Healy Consultants Group PLC’s fees to legally register our Clients’ Japan LLC within five weeks (click link) including i) choosing the optimum M&AA for our Client’s business activities ii) reserving a company name with Legal Affairs Bureau; iii) settling our accountant and lawyer fees and iv) preparing a high quality company incorporation application for review by the Legal Affairs Bureau;

All engagement fees (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees or surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a detailed project plan, mapping out deliverables by week throughout the engagement term.

Every week during the engagement, we email our Client a detailed email engagement status update. Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, skype, live chat and email and will communicate in your preferred language;

2. Before company incorporation is complete, the Japan Government must review and approve a lease agreement for office premises. If your Firm requires this service from Healy Consultants, our one-time fee amounts to US$950. The monthly rent thereafter will be paid independently and directly to the landlord by our Client. An estimate of such a rental for a space of 10 sq. m. for one employee is US$1,700 per month;

3. This fee is an estimate of Government costs to complete your Firm’s engagement. All Government fee payments will be supported by original receipts and invoices. Examples of Government fees include i) reserving the company name with Legal Affairs Bureau; ii) preparation of Goedo-Kaisha’s articles of incorporation; iii) notarizing all company documents and iv) notification of stock acquisition to the Bank of Japan. Following engagement completion, Healy Consultants will refund our Client any excess of funds received over actual Government costs paid;

4. Healy Consultants will be pleased to open a Japan corporate bank account without travel. It is a time consuming task, Healy Consultants will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company, when shareholders and directors and bank signatories reside overseas. Depending on our Client business and nationality, there is a 40% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Japan for corporate bank account opening, Healy Consultants will refund our Client US$950;

If our Client is not comfortable with only a Japan corporate bank account, Healy Consultants will be pleased to open an international corporate bank account (click link) outside of Japan. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Maybank, Bank of China, ANZ bank, Standard Bank, UBS, Credit Suisse;
Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. However, the banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants’ control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take minimum of 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

5. This is Healy Consultants professional fee to complete tax registration for our Client’s Japan Company. This includes to notify its establishment to Japanese tax authority, which cover VAT tax (consumption tax), local tax and enterprise tax;

6. For an active trading company, these accounting and tax fees are an estimate of Healy Consultants fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, Healy Consultants will more accurately advise accounting and tax fees. For a dormant company, Healy Consultants fees are only US$950;

7. All fees quoted in this invoice correspond to fees quoted on Healy Consultants’ business website. Please review this invoice carefully to identify errors. During the rush of the business day, it is possible Healy Consultants inadvertently made fee calculation errors, typing errors or omitted services. In the unfortunate event you identify invoice errors, please revert to me directly re the same. I apologize in advance if I or my staff made invoice errors;

8. Assuming our Clients re-engage Healy Consultants in year 2, this fee is an estimate of the fees payable next year, 12 months after the date of company registration;

9. While appointment of a resident director is not required by Law, Japanese banks will require the entity to have at least one resident director in Japan. Consequently, . To efficiently and effectively secure corporate bank account approval in a timely manner, we recommend our Clients to appoint a professional passive nominee as resident director, who will also visit the branch of our Client’s preferred Japanese bank. Healy Consultants Group PLC will i) assist our Client to find a professional passive nominee resident director and ii) complete KYC review on the nominee and iii) supply a qualify draft nominee agreement to make sure the interests of our Clients are well protect and iv) aggressively and skillfully negotiate with the bank to ensure only our Client’s staff are appointed as bank signatories of the account. Our one time fee for this service is US$4,950. If the banks do not require to appoint a resident director before confirming interest to board our Client’s business, Healy Consultants will be happy to refund this fee. Otherwise, our Client should also budget an additional US$3,950 per month in nominee fees, payable directly to the nominee, independently of Healy Consultants Group PLC;
10. In accordance with Japan Companies Act, the minimum share capital of a Japanese GK company is one Japanese yen. However in order to employ a foreigner and smooth the incorporation process, it is recommended to have a minimum capital of US$50,000. To optimize engagement efficiency and minimize delays, Healy Consultants is happy to deposit these funds on behalf of our clients;

11. If our Client requires none resident nominee services (click link), Healy Consultants will be pleased to assist. Our fee for professional, passive nominee corporate shareholder amounts to US$2,100 per annum. Our fee to be both nominee non resident director and shareholder amounts to US$6,600 per annum. Being the sole shareholders and sole director of a Client’s company exposes Healy Consultants to reputation, litigation and financial risk;

12. Unfortunately, all shareholder and director information must be officially translated into Japan, notarized and attested by the Japanese embassy in their country of origin. Most of our Clients request we translate all Japan company documents into English and vice versa. There is an additional cost of US$50 per page of documents;

13. To assist our Clients minimize Forex costs, we offer the payment in SG$, Euro, Pound or US$. Kindly let me know in which currency your Firm prefers settling our fees and I will send an updated invoice, thank you;

14. Monthly, quarterly and mid-year Government tax obligations include i) payroll reporting and ii) monthly and quarterly VAT and corporation tax return filing. If you need our help, Healy Consultants can complete monthly Government reporting for a monthly fee of US$1,600. Healy Consultants monthly support will include i) receive in dropbox the monthly invoices from our client ii) label monthly bank statement transactions iii) preparation and submission of VAT returns and iv) monitor monthly profit levels to minimize annual tax v) submission of monthly employee payroll reporting;

15. If our Client and Healy Consultants properly plan this engagement, our Clients will not have to travel during this engagement. Healy Consultants will efficiently and effectively and aggressively complete company registration and corporate bank account opening in a timely manner without our Client presence. Instead, our Client will need to i) sign and get documents legalized in the embassy in their country of origin and ii) courier the originals to Healy Consultants office;

16. During the engagement, shareholders and directors documents may need to be translated into the local language before the Government and Bank approves company registration and corporate bank account opening respectively. Consequently, our Client should budget for possible additional translation and embassy atestation fees. Either our Client or Healy Consultants can complete this administrative task;

As always, Healy Consultants will negotiate with all third parties to eliminate or reduce additional engagement costs. For transparency purposes, all third party fee payments will be supported by original receipts and invoices. Examples of possible third party payments include i) embassy fees ii) notary public costs iii) official translator fees;
