5. To secure multi-currency corporate bank account approvals for our Client's company, Healy Consultants Group PLC strategy is as follows:
  - ✓ Healy Consultants Group PLC will prepare a quality business plan for our Client's review then use the same to **i)** secure multiple banks' confirmation they welcome a formal application from our Client's business and **ii)** maximize the probability of successful multi-currency corporate bank account approvals;
  - ✓ At the time of company incorporation, we recommend to keep [the corporate structure simple](#) (click link) by appointing our Client's preferred individual shareholder(s) and director(s) and bank signatories – no corporate entity, nominee, trust, or tax haven holding company;
  - ✓ Our Client to appoint individuals who could timely travel to meet multiple local and international banks, if their Compliance Departments require the same before releasing multiple multi-currency corporate bank account numbers. If travel is required, our Firm will refund US\$950 and action [this travel policy](#);
  - ✓ Before, during and after bank meetings, the bank's In-house Legal and Compliance Department may revert multiple times for additional documentation and information from each **i)** bank signatory / director / UBOs of the companies as well as **ii)** our Client's business and transactions;
  - ✓ If some banks decline to board our Client's business, Healy Consultants Group PLC will immediately inform our Client and action backup banking solutions;
  - ✓ All going well in an average of 3 months following application submission, Healy Consultants Group PLC secures multiple multi-currency corporate bank account numbers for our Client's company;
  - ✓ Thereafter, Healy Consultants Group PLC or the banks will courier mails and e-banking to the bank signatory, who is expected to activate the internet bank account, if needed with Healy Consultants Group PLC's assistance;
  - ✓ After corporate bank account numbers are secured and if required, Healy Consultants Group PLC to assist our Client to appoint more new shareholders and directors. However, the banks will usually only approve them as bank signatory after a face to face meeting and review and approval of a bank signatory application;

For each bank, our Firm will prepare a quality tailored business plan; to optimize the probability of corporate bank account approval. Each corporate bank account opening fee is [US\\$4,950](#) (click link). It is a time-consuming task; Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through newly formed companies when shareholders, directors and bank signatories reside overseas;

## Cayman Islands Exempted Company Invoice

Depending on the nationality of the UBO, shareholders, bank signatories, and directors and the nature and value of the business assets and transactions, it is wise to expect that **i)** corporate bank account approvals will take an average of three months from the date of company registration and receipt of all KYC documentation and **ii)** multiple banks will request the directors AND bank signatories to travel for a one hour interview with the bank officer, before bank account opening. Refer to the notes below for more detailed important information about each corporate bank account opening procedures and requirements;

While Healy Consultants Group PLC will be glad to assist our Client to open multiple corporate bank accounts, it is challenging and time consuming to open corporate bank accounts for businesses when their shareholders, directors and bank signatories do not live in the country where the bank account is being applied for. Consequently, it will take us an average of twelve weeks to open each corporate bank account, counting from receipt of all required KYC documentation. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval;

During the corporate bank account opening process, it is common for each bank's in-house Legal and Compliance Department to request additional due diligence documents from potential customers including but not limited to **i)** regulatory licenses **ii)** proof of business globally and in home country including evidence of contracts, invoices and agreements with local Clients and **iii)** additional KYC information on our Client's business and place of residency, including nature and volume of transactions. We assume our Client provides most of this information within one week;

Because global interest rates are low, international banks make little profits from current accounts. Consequently, international banks appetite for new multi-currency corporate bank account opening applications is low. Consequently, global banks are more likely to reject new multi-currency corporate bank account opening applications. Because of the above, customer demand for new corporate bank accounts is very high. Consequently, international banks choose vanilla customers that tick all the boxes of a low risk Client. For example, most banks will only welcome multi-currency corporate bank account opening applications from a company registered in the same country, with local staff and office premises;

When dealing with international banks, the front office bank officer (Relationship Manager) is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete multi-currency corporate bank account opening application is submitted to the bank in-house Legal and Compliance Department;

Unfortunately, the bank in-house Legal and Compliance Department has ultimate power of approval over new multi-currency corporate bank account applications. This Department is extremely risk adverse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with the bank decision makers – a chance to properly explain their business and the risks the bank perceives;

Global banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval;

## Cayman Islands Exempted Company Invoice

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Client should expect the bank account approval period at least 2 months and on average 3 months;

During the engagement, banks will revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup; **ii)** reason for opening bank accounts in the specific jurisdiction; **iii)** list of suppliers and Clients in the jurisdiction; **iv)** lease agreement; and **v)** proof of net worth from the shareholders and evidence the same are complying with their local taxation reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements;

While Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption unfortunately some banks may request both the foreign directors and bank signatories to travel, for a one-hour interview before the bank account numbers are issued. If the banks also request Healy Consultants Group PLC nominees to travel, there will be an additional fee of US\$5,950 per trip payable to cover the flight and hotel and other trip disbursements;

All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Client, never by the nominees. These additional fees are to be payable in advance of any disbursement;

Healy Consultants Group PLC will supply the banks with the proof of addresses and other due diligence supplied by our Client. Hopefully they will accept the same and do not revert requesting additional documents; From our side we will relentlessly negotiate for banks waivers. Healy Consultants Group PLC expects the bank's risk department to request additional [due diligence](#) from our Client's business and from the bank signatory, directors, shareholders and UBOs. We assume our Client will timely supply this information and supporting documents or there will be engagement delays;

6. In accordance with [Cayman Island Tax Concession Law](#) a company can become fully tax-exempt by obtaining a tax exemption certificate by the Cayman Islands [Tax Information Authority](#) (TIA). This certificate guarantees up to twenty years of full exemption on taxes, including: **i)** corporate income tax (CIT); **ii)** capital gains and **iii)** withholding taxation;
7. All fees quoted in this invoice correspond to fees quoted [on Healy Consultants Group PLC' website](#). Please review this invoice carefully to identify errors. During the rush of the business day, it is possible that Healy Consultants Group PLC inadvertently made fee calculation errors, typing errors or omitted services or omitted historic fee payments from Clients. In the unfortunate event you identify invoice errors, please revert to me directly re the same. I apologize in advance if I or my staff made invoice errors;
8. Assuming our Clients re-engage Healy Consultants Group PLC in year 2, this fee is an estimate of the fees payable next year, 12 months after the date of company registration;
9. Engage Healy Consultants Group PLC to [project manage](#) business set up in every country on the planet. We are the best in the [world](#) at what we do, timely completing [the A to Z](#) of every country engagement;

If Healy Consultants Group PLC completes the engagement faster and more easily than expected, Healy Consultants Group PLC is happy to refund some fees to our Client;
11. If our Client and Healy Consultants Group PLC properly plan this engagement, our Clients will **not** have to travel during this engagement. Healy Consultants Group PLC will effectively complete company registration and corporate bank account opening in a timely manner without our Client presence. Instead, our Client will need to **i)** sign and get documents legalized in the embassy in their country of origin and **ii)** courier the originals to Healy Consultants Group PLC office;
- 
12. If our Client requires non-resident nominee shareholder and director [services \(click link\)](#), Healy Consultants Group PLC will be pleased to assist. Our fee for professional, passive nominee non-resident corporate shareholder amounts to US\$2,100 per annum. Our fee to be both non-resident nominee director and shareholder amounts to US\$8,600 per annum. Being the sole shareholders and sole director of a Client's company exposes Healy Consultants Group PLC to reputation, litigation and financial risk;
13. Depending on our Client business and nationality, the Cayman Islands Government may require a special regulatory license to carry on your business in the country. Healy Consultants Group PLC will assist our Client secure license approval. However, the Government enjoys ultimate power of approval of company registrations and business licenses;
14. If required, Healy Consultants Group PLC will be pleased to assist your firm to secure employee [visa](#) approvals. Our fee is US\$8,950 for the first employee, US\$7,950 per employee thereafter. Our employee visa fees includes preparation of a quality visa application and submitting to the correct Government immigration officers. The Government enjoys ultimate power of approval of visa applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC' control. What is inside our control is the preparation and submission of a high quality immigration visa application that maximizes the likelihood of visa approval;
15. Some of our Clients request Healy Consultants Group PLC to provide temporary shared [office space](#) for 6 months until their preferred business premises is found.
