Notes to invoice above

1. Healy Consultants fees to efficiently and effectively complete Chinese representative office (RO) registration within [four months](#) by **i)** choosing the optimum regulatory license for our Client's business activities **ii)** reserving a name with [State Administration of Industry and Commerce](#) (click link); **iii)** settling our accountant and lawyer fees and **iv)** preparing a high quality representative office registration application for [State Administration of Industry and Commerce](#) and [Ministry of Commerce and Labor Department](#);

All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. Before representative office registration is complete, the Chinese Government must review and approve a lease agreement for office premises. If your Firm requires this service from Healy Consultants, our one-time fee amounts to US\$950. The monthly rent thereafter will be paid independently and directly to the landlord by our Client. An estimate of such a rental for a space of 10 sq. m. for one employee is US\$1,500 per month;
3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** reserving the RO name with the [State Administration of Industry and Commerce](#) (click link); **ii)** applying for Business Approval with the [State Administration of Industry and Commerce](#); **iii)** issuance of Capital Verification Report and **iv)** registering the RO with the [Ministry of Commerce and Labor Department](#). Following engagement completion, Healy Consultants will refund our Client any excess of funds received over actual Government costs paid;

4. Healy Consultants will be pleased to open a Chinese corporate bank account without our Client travel. It is a time consuming task, and Healy Consultants will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed representative office when shareholders, directors and bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Chinese for corporate bank account opening, Healy Consultants will refund our Client US\$950;

If our Client is not comfortable with only a Chinese corporate bank account, Healy Consultants will be pleased to open [an international corporate bank account](#) (click link) outside of China. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

7. For an active representative office, these [accounting, audit and tax](#) (click link) fees are an estimate of Healy Consultants fees to efficiently and effectively discharge your annual representative office accounting, audit and tax obligations. Following receipt of a set of draft accounting numbers from your representative office, Healy Consultants will more accurately advise accounting fees. If our Client is uncomfortable or unable to adopt this strategy, Healy Consultants will provide nominee services. Our annual fee for the same is US\$4,800 per nominee;
