Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks.
