Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with [Hong Kong New Companies Ordinance](#) (click link), each Hong Kong PLC company must appoint a company secretary, who may be a natural person or a body corporate, but the company secretary must be resident in Hong Kong. Healy Consultants Group PLC will act as your Hong Kong company secretary, for which our annual responsibilities include **i)** preparation and filing of the annual return **ii)** securely maintaining company books **iii)** liaising with the Hong Kong Government on behalf of our Client **iv)** legal filing of changes of company structure and **v)** reminding our Client of statutory deadlines;

In accordance with the [Hong Kong New Companies Ordinance](#), a PLC Company shall as from the date of its incorporation have a legal registered office in Hong Kong, to which all official Government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group PLC Hong Kong business office will be the registered office address for your Hong Kong Company. Thereafter, this address will be used to receive Government correspondence including **i)** tax letters **ii)** notice of the legal annual return and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group PLC's office address](#) on invoices, contracts, websites and business cards;

3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** reserving the company name with the [Companies Registry](#) **ii)** obtain the certificate of incorporation with the [Companies Registry](#) and **iii)** sign up with [Inland Revenue Department](#). Effective 1 October 2020, the Hong Kong government has reduced their fees payable for application to incorporate a company by 10% (excluding Business Registration Fee and Levy). The same is reflected in this invoice;

4. To secure multi-currency corporate bank account approvals for our Client's company, Healy Consultants Group PLC strategy is as follows:

Hong Kong PLC Company Invoice

- ✓ Our team will prepare a quality business plan to attract a welcome email from our preferred bank in Hong Kong, inviting a formal application from our Client's entity. The business plan optimises the probability of this bank approving bank account numbers. As you can appreciate, it is difficult to obtain bank approval when shareholders, directors, and signatories reside overseas;
- ✓ To timely complete the above, we recommend our Client to [keep the corporate structure simple](#);
- ✓ Our Client to visit Hong Kong to meet multiple local banks to open multi-currency corporate bank accounts;
- ✓ Healy Consultants Group PLC's staff will meet our Client in Hong Kong and accompany our Client to each [bank meeting](#) (click link);
- ✓ To hedge the risk of our preferred bank not approving the release of corporate bank account numbers in a timely manner, Healy Consultants PLC will also submit a multi-currency corporate bank account opening application to at least one additional backup bank. In accordance with Healy Consultants PLC's [Guaranteed Bank Account Approval or your Money Back](#) policy, our additional fee per additional corporate bank account approved is US\$1,500;

Global banks [continue to tighten](#) corporate bank account opening procedures, and their internal Legal and Compliance Departments are completing more thorough [due diligence](#) of bank signatories, directors, shareholders, and UBOs. During the engagement, the bank will likely revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup **ii)** reason for starting a new business in Hong Kong **iii)** proof of business globally and in-home country including evidence of contracts, invoices, and agreements with local Clients **iv)** list of suppliers and Clients in Hong Kong and overseas **v)** lease agreement and **vi)** evidence our Client and (if applicable) his directors and shareholders are complying with their local personal and corporate tax reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements. We assume our Client will timely supply this information and supporting documents, or there will be a delay;

Because global interest rates are low, international banks make little profit from current accounts. Consequently, international banks' appetites for new multi-currency corporate bank account applications is low. As a result, Hong Kong banks and other global banks are more likely to reject multi-currency corporate bank account applications. Because of the above, customer demand for new corporate bank accounts is very high. Therefore, international banks choose vanilla customers that tick all the boxes of a low-risk Client. For example, most banks will only welcome multi-currency corporate bank account applications from a company registered in the same country, with local staff and office premises;

When dealing with international banks, the front office bank officer is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete multi-currency corporate bank account application is submitted to the bank in-house Legal and Compliance Department. Unfortunately, the bank in-house Legal and Compliance Department has the ultimate power of approval over multi-currency corporate bank account applications. This Department is extremely risk-averse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with bank decision-makers and properly explain their business and the risks the bank perceives;

Global banks enjoy the ultimate power of approval of corporate bank account applications. Guaranteed success is, therefore, outside Healy Consultants Group PLC's control. What is within our control is the preparation and submission of a high-quality application that maximises the likelihood of approval. All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Clients, never by the nominees. These additional fees are to be payable in advance of any disbursement;

5. For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, Healy Consultants Group PLC will more accurately advise accounting and tax fees. For a dormant company, Healy Consultants Group PLC fees are only US\$950;

Our fee for professional, passive nominee non-resident corporate shareholder amounts to US\$2,100 per annum. Our fee to be both non-resident nominee director and shareholder amounts to US\$6,600 per annum. Being the sole shareholders and sole director of a Client's company exposes Healy Consultants Group PLC to reputation, litigation and financial risk;

13. Monthly, quarterly and mid-year Government tax obligations include **i)** monthly payroll reporting and **ii)** quarterly GST and corporation tax returns. What is inside our control is the preparation and submission of a high quality immigration visa application that maximizes the likelihood of visa approval;
15. Depending on our Client's business and nationality, the Hong Kong Government may require a special regulatory license to carry on your business in the country.
