Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. There is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

5. In accordance with Haiti law, each entity must register for corporate tax and VAT at the [Directorate General of Taxes](#) (DGI).
