3. In accordance with the [Company Law](#), a Iceland trust must have a correspondence address in Iceland from the date its formation. This address will receive all official government communications and notices. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered, Citibank, Barclays, Emirates NBD, ANZ bank, Standard Bank, UBS or Credit Suisse;

The banks enjoy ultimate power of approval of trust bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination;

Furthermore, global banks now require evidence of proof of business in the country where the bank account will be, including sales contracts or lease agreement;
