2. In accordance with the Swiss [Commercial Registrar Act article 38 \(click link\)](#), a GmbH shall as from the date of its incorporation have a legal registered office in Switzerland, to which all official Government communications and notices may be addressed. 4. Healy Consultants Group PLC will be pleased to open a Swiss crypto-friendly corporate bank account without our Client travelling. It is a time consuming task, Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company, when shareholders and directors and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Switzerland for corporate bank account opening, Healy Consultants Group PLC will refund our Client €950;

Because of the nature of our Client business, there is a 25% probability the bank in-house Legal and Compliance Department will reject your corporate bank account application. In the unfortunate event this occurs, Healy Consultants will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

A solution will be to open a corporate bank account outside of Switzerland. Examples of international bank accounts include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include: HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

Furthermore, Healy Consultants expects the bank's risk department to request additional [due diligence](#) from our Client's business including **i)** specific license; **ii)** proof of business globally and in Switzerland and **iii)** additional KYC information on our Client's business and place of residency. We assume our Client provides most of this information within one week

Depending on our Client's business and nationality, there is a 60% probability the bank officer will request a set of corporate documents to be certified by the local registered agent, apostilled, translated or legalized with the nearest Country Embassy. In such case, Healy Consultants estimates the corporate bank account opening will be delayed with up to three business weeks. Following appropriate attestation of signatures, bank due diligence and corporate bank account opening forms, our Client couriers signed corporate bank account opening set required by the bank to our preferred address;

To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination;

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, the company carries out a business that may be viewed by banks as high risk. This may negatively affect the timely completion this engagement;

5. In accordance with [Art. 21 of the Swiss Mehrwertsteuergesetz](#), a Swiss company is obliged to register for value added tax (VAT) with the [Swiss Federal Tax Administration](#) if turnover exceeds 100,000 Swiss francs (€95,000). Your firm may also choose to register voluntarily for VAT;
