4. Healy Consultants Group PLC will be pleased to open a Cyprus trust bank account without travel. It is a time consuming task, Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed offshore trust, when shareholders and directors and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of trust bank account approval. Depending on our Client business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Cyprus for trust bank account opening, Healy Consultants Group PLC will refund our Client €950;

If our Client is not comfortable with only an Cyprus trust bank account, Healy Consultants Group PLC will be pleased to open [an international trust bank account](#) (click link) outside of Cyprus. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, OTP bank, Bank of China, ANZ bank, Standard Bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of trust bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination;
