Denmark Bitcoin Limited Liability Company Invoice

Notes to invoice above

1. Healy Consultants' fees to efficiently and effectively complete Denmark company registration within [two weeks](#) by **i)** choosing the optimum regulatory license for our Client's business activities; **ii)** reserving a company name with [Danish Business Authority](#); **iii)** settling our accountant and lawyer fees and **iv)** preparing a high quality company incorporation application for submission to the [Danish Business Authority](#);

All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with the [Denmark Private Companies Act](#), a Denmark LLC company must appoint a company secretary, who may be a natural person or a body corporate, but the company secretary must be resident in Denmark. Healy Consultants will act as your Denmark Company Secretary, for which our annual responsibilities include **i)** preparation and filing of the annual return; **ii)** securely maintaining company records; **iii)** liaising with the Denmark Government on behalf of our Client; **iv)** legal filing of changes of company structure; and **v)** ensuring company record compliance with local company law;

In accordance with the [Denmark Private Companies Act](#), a Denmark LLC shall as from the date of its incorporation have a legal registered office in Denmark, to which all official Government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Denmark business office will be the registered office address for your Denmark Company. Thereafter, this address will be used to receive Government correspondence including **i)** tax letters **ii)** notice of the legal annual return; and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants' office address](#) on invoices, contracts, websites and business cards;

This fee is an estimate of Government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of Government costs include **i)** reserving the company name; **ii)** obtaining the [nemID](#) signature and **iii)** obtaining the certificate of incorporation with the [Danish Business Authority](#) ([click link](#)). Following engagement completion, Healy Consultants will refund our Client any excess of funds received over actual Government costs paid;

3. Healy Consultants Group PLC to secure cryptocurrency corporate bank account numbers within an average of [eight weeks](#), including **i)** preparation of a quality business plan detailing the activities of our Client's business and [a detailed project plan](#), **ii)** contacting multiple banks and payment services providers (PSPs) to secure their confirmation they welcome a formal application from our Client's business **ii)** pre-fill the corporate bank account opening forms for our Client's signature **iv)** submit a quality corporate bank account opening application along with the KYC documentation required by the bank **vi)** aggressively negotiate with the Bank to minimize additional KYC documentation requirements and **v)** find solutions to [challenges that can occur](#) throughout the engagement;

Opening a corporate bank account for a cryptocurrency business is a time consuming task, but Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval when shareholders, directors and bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval without travel. Depending on **i)** our Client's nationality and **ii)** the bank's Compliance Department assessment of the risk profile of our Client's business, there is a 40% probability the bank will request bank signatories and directors to travel for a one-hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel for the corporate bank account opening, Healy Consultants will refund our Client €950;

Global Banks and PSPs are also increasingly reluctant to board cryptocurrency businesses, so our Client should expect **i)** multiple banks and PSPs to decline to board our Client's business and **ii)** the internal compliance departments of all other banks to complete a [thorough, detailed due diligence review](#) of their business. Consequently, our Clients should expect the bank account approval period to take at least 4 weeks from submission of a quality complete corporate bank account opening application;

Furthermore, all banks and PSPs will categorize our Client's cryptocurrency business as a high risk customer. Consequently, our Client should expect the Compliance Department to revert multiple times for [additional KYC information](#) re our Client's business including **i)** proof of business **ii)** proof for the source of funds / net worth **iii)** customer invoices and contracts and **iv)** evidence the business holds regulatory license or is legally exempt from the same and **v)** AML/CFT program. The Bank or PSP will only confirm their ability to board our Client's business after our Client and Healy Consultants Group PLC provide detailed, complete and high quality answers to these requests. Even if our Client supplies all KYC documentation, there is still a 30% probability the bank's Legal and Compliance Department will unexpectedly decline your corporate bank account application. In the unfortunate event this occurs, Healy Consultants will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

Denmark Bitcoin Limited Liability Company Invoice

If our Client's business **a)** includes multiple layers of corporate structure or **b)** in a [tax haven jurisdiction](#) (e.g. Cayman Islands or BVI), the same will be viewed negatively by the Banks and our Client should expect 90% of them to decline to board our Client's business. To optimize the probability of timely finding a corporate banking solution, Healy Consultants Group PLC recommends our Client to **i)** keep their [corporate structure simple](#) and **ii)** register their business in a reputable, AML/CFT compliant [zero-corporate income tax jurisdiction](#) including **i)** Singapore **ii)** Hong Kong or **iii)** UAE or in a [low tax jurisdiction](#) including **i)** Cyprus **ii)** Malta **iii)** Estonia or **iv)** Ireland;

As much as possible, Healy Consultants Group PLC will target the banks preferred by our Client. However, the banks enjoy ultimate power of approval for corporate bank account opening applications, so our Firm unfortunately cannot guarantee that the banks preferred by our Client will also be those interested to board his business.

4. In accordance with [Denmark's Taxation Laws](#), each Danish business entity must register for corporate tax at the [Denmark Tax Authority](#);
