Namibia Business Trust Invoice

Notes to invoice above

1. Healy Consultants Group PLC fees to efficiently and effectively complete Namibia trust registration within [6 weeks](#) including **i)** choosing the optimum fiduciary structure for our Client's business activities; **ii)** advising on the trust deed; **iii)** settling our accountant and lawyer fees; and **iv)** preparing a high quality company trust registration application for the [Financial Intelligence Centre](#) (FIC);

All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

The fee to create the trust includes **i)** creating and executing the trust deed and other documentation; **ii)** transferring legal ownership of the trust assets to the trustees and **iii)** conducting the initial KYC review of our Client. Non-standard trusts may incur additional fees (including legal fees), to be confirmed in advance with our Client. Following engagement completion, Healy Consultants Group PLC will refund our Client any excess of funds received over actual Government costs paid;

The fees in the second year represent the cost of the annual trust review, mandated by the FIC. All regulated trust activities will be provided by Healy Consultants Group PLC's preferred Namibia trust company, instructed by Healy Consultants Group PLC on our Client's behalf

2. Healy Consultants Group PLC's preferred Namibia trust company will provide trustees to own and manage the trust assets on our Client's behalf. The trustees' responsibilities include **i)** day-to-day management of the trust assets; **ii)** managing trust distributions; **iii)** accepting new trust assets; **iv)** maintaining the trust's statutory records and **v)** conducting the trust's annual review;
3. Healy Consultants Group PLC will be pleased to open a Namibia corporate bank account without travel. It is a time consuming task, Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed trust, when trustees and beneficiaries and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval.

Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Namibia for corporate bank account opening, Healy Consultants Group PLC will refund our Client US\$950;

If our Client is not comfortable with only a Namibia corporate bank account, Healy Consultants Group PLC will be pleased to open [an international corporate bank account](#) (click link) outside of Namibia. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC's control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination;

Bank of Namibia

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;
